Florida Transportation Plan Overview

- Plan for all of Florida with 25 year horizon
- Federal and state law require five year update of FTP
- Current FTP published in December 2015

FTP includes 7 goal areas:
- Safety and security
- Infrastructure
- Mobility
- Transportation Choices
- Economic Competitiveness
- Quality of Life
- Environment and Energy
Meeting Objectives

- Review the upcoming FTP and SIS Policy Plan Update Cycle
- Review highlights of the PPI Plan
- Discuss PPI Plan and Process
FTP/SIS Update

- **FTP Kickoff in May 2019**

- **2019 Steering Committee Meetings**
  - May 9, Jacksonville, in conjunction with TransPlex
